

## Notice of Intent to Adopt a Mitigated Negative Declaration and Notice of Public Informational Meeting

**NOTICE IS HEREBY GIVEN** that pursuant to the California Environmental Quality Act (CEQA), the Rose Bowl Operating Company (lead agency) proposes to adopt a Mitigated Negative Declaration (MND). A MND was prepared in compliance with CEQA and the CEQA Guidelines. The proposed MND and Initial Study (IS) are available for PUBLIC REVIEW on the following matter:

**Project Name:** Brookside Golf Course Improvements Project

**Project Location:** Brookside Golf Course, 1133 Rosemont Ave (north of the intersection with Rose Bowl Drive), Pasadena, CA 91103

**Project Description:** The Rose Bowl Operating Company proposes to reorient and expand the existing driving range and construct a new miniature golf facility (Project) within the existing driving range area at the Brookside Golf Course (or golf course). Project improvements would occur on approximately 16 acres within the existing driving range, Hole 10 of the C.W. Koiner Course, and Holes 6 and 7 of the E.O. Nay Course (Project Site). The Project consists of two main components within the 16-acre Project Site: (1) reorient and expand the existing driving range toward the north; and (2) develop a new miniature golf course adjacent to the west of the proposed driving range.

**Environmental Determination:** An Initial Study was prepared for the Project and concluded that there will be less than significant impacts on the environment with the incorporation of mitigation measures; a MND has therefore been prepared. Possible impacts on Aesthetics (Lighting), Biological Resources, Cultural Resources, Tribal Cultural Resources, and Mandatory Findings of Significance were identified in the IS and will be mitigated to a less than significant level.

**Hazardous Materials:** The Project Site is not listed on any hazardous materials or waste databases pursuant to Section 65962.5 of the Government Code.

**Public Review Period:** Public review of the MND will commence on **Tuesday, January 17, 2023** and will continue until 5:00 p.m. on **Friday, March 3, 2023**. Please submit comments in writing by 5:00 p.m. on Friday, March 3, 2023, to the attention of Jenessa Castillo, Interim Chief Operations Officer, 1001 Rose Bowl Drive, Pasadena, California, 91103; or via email to [publiccomment@rosebowlstadium.com](mailto:publiccomment@rosebowlstadium.com).
